

ELECTRICAL CONTRACTORS' LICENSURE EXAMINATION

Reference List

Effective February 2026

Introduction

The answers to the examination questions will be based on the editions listed on the following pages. Some of the questions will also be based on field experience and knowledge of trade practices. Editions earlier or later than those listed below can be brought to the examination but AT YOUR OWN RISK. However, only one copy of each reference will be allowed into the examination.

Photocopies will not be allowed unless the appropriate authorities (DBPR and the publishers) have given written authorization. Handwritten and typewritten notes are NOT allowed. Existing handwritten notes must be blackened out or whitened out completely, by the candidate, prohibiting legibility. Moveable tabs (e.g., Post-it Flags) are NOT allowed. You will not be permitted to make any marks in your references during the examination.

For more detailed information on the examinations and their administration, please review the Candidate Information Booklet for the Electrical Contractors' Licensure Examinations. The Candidate Information Booklet can be downloaded at the following URL: <https://www2.myfloridalicense.com/examination-information/candidate-information-booklets/>.

References

In addition to general trade knowledge, questions are based on the reference lists provided on the following pages. Only those references listed will be allowed at the examination site. Editions earlier or later than those listed below can be brought to the examination but AT YOUR OWN RISK. However, only one copy of each reference will be allowed into the examination.

No scratch paper, class notes, formulas, sample questions, bound or loose-leaf study materials, notes or similar material will be allowed in the examination room. Only original edition reference materials will be allowed for use at the examination, except for the references specifically indicated on the reference list as a PDF file. These materials must be printed and bound in a spiral notebook or a three or more hole-puncher binder to be allowed in the examination room. Permanently attached tabs may be used in reference books. Post-it ® Notes, pull-off labels or removable tabs will NOT be allowed.

In the chart that follows, Electrical Certification areas are indicated as:

- UE– Unlimited Electrical Contractor
- RE– Residential Electrical Contractor
- AI– Alarm Systems I Contractor
- AII– Alarm Systems II Contractor
- LE– Limited Energy Specialty Contractor
- SS– Sign Specialty Electrical Contractor
- LM– Lighting Maintenance Specialty Contractor
- UL– Utility Line Contractor
- BZ– All eight (8) of the above Certification areas are required to take the Business Component through our vendor at a Computer-based Testing site.
